

LED TV MONITOR

M50D

19"/22"/23"/25"

THE EVOLUTION OF TV MONITOR

LG leads the evolution of TV monitors with the new M50D. Its beautiful vivid picture quality with superb contrast ratio is matched only by its slim design. It is optimised for various digital broadcasting formats such as MPEG4, DVBC, DVBT, FHD and more. And it even plays media files without a PC through a USB port. Take a glimpse into the future of TV monitor through LG's new M50D, and witness what lies beyond technology. This model has full HD 1080P and Surround X sound system.
