THE ADVANTAGES

Triple Compatibility

LG Super Multi DVD Writer can read and write all kinds of DVD/CD formats in one convenient package;

1. DVD-R/-RW/+R/+RW
2. DVD-RAM
3. CD-R/RW

This gives you the option to choose the media best suited for each task.

Slim Design

9.5mm slim internal design provides chance to burn and read data in disc with convenience. Slot type bezel design provides more sleek and slim design for laptop users.

Silent Play

As a disc is being read, Silent Play technology automatically controls the disc read speed for optimal noise reduction.

Jamless Play

A damaged disc can cause interruptions during movie playback. Jamless play technology automatically skips past damaged parts of a disc maintain smooth playback while reducing interruptions.
