

SDHC/XC Turbo Performance 80MB/s

Ideal for Advanced DSLR cameras & Full HD Video recording

PNY's Turbo Performance SD™ flash memory cards are dedicated to enthusiast photographers and videographers. Reaching 80MB/s speed performance, these cards are built for fast transfer rates, meaning you can capture all your special moments easily and effectively. Just plug directly into your DSLR camera or Full HD camcorder's SD™ slot and you're ready to capture all the best shots.

Built for fast transfer rates and Class 10 – UHS-1 rated, PNY SD™ Turbo Performance cards are ideal for continuous shooting mode, allowing you to capture more frames per second for the critical shot.

Features & Benefits
