

## COMMISSION DELEGATED REGULATION (EU) 2019/2013

|           | Information  | Value and precision        | Unit            |
|-----------|--|----------------------------|-----------------|
| 1         | Supplier's name or trade mark  | EIZO                       |                 |
| 2         | Supplier's model identifier  | FlexScan EV2795            |                 |
| 3         | Energy efficiency class for standard Dynamic Range (SDR)                         | D                          |                 |
| 4         | On mode power demand for Standard Dynamic Range (SDR)                            | 16.1                       | W               |
| 5         | Energy efficiency class (HDR)  |                            |                 |
| 6         | On mode power demand in High Dynamic Range (HDR) mode                            |                            | W               |
| 7         | Off mode, power demand   | 0                          | W               |
| 8         | Standby mode power demand  | 0.5                        | W               |
| 9         | Networked standby mode power demand  | 0                          | W               |
| 10        | Electronic display category  | Monitor                    |                 |
| 11        | Size ratio   | 16 : 9                     | integer         |
| 12        | Screen resolution (pixels)   | 2560 x 1440                | pixels          |
| 13        | Screen diagonal  | 68.5                       | cm              |
| 14        | Screen diagonal  | 27                         | inches          |
| 15        | Visible screen area  | 20.031                     | dm <sup>2</sup> |
| 16        | Panel technology used  | LCD                        |                 |
| 17        | Automatic Brightness Control (ABC) available                                     | Yes                        |                 |
| 18        | Voice recognition sensor available   | No                         |                 |
| 19        | Room presence sensor available   | No                         |                 |
| 20        | Image refresh frequency rate   | 60                         | Hz              |
| 21        | Minimum guaranteed availability of software and firmware updates:                | 5                          | Years           |
| 22        | Minimum guaranteed availability of spare parts:                                  | 5                          | Years           |
| 23        | Minimum guaranteed product support:  | 5                          | Years           |
|           | Minimum duration of the general guarantee offered by the supplier                | 5                          | Years           |
| 24        | Power supply type:   | Internal                   |                 |
| <i>i</i>  | External standardised power supply (included in the product box)                 | Standard name              |                 |
|           |  | Input voltage              | V               |
|           |  | Output voltage             | V               |
| <i>ii</i> | External standardised suitable power supply (if not included in the product box) | Standard name              |                 |
|           |  | Required output voltage    | V               |
|           |  | Required delivered current | A               |
|           |  | Required current frequency | Hz              |
